What Families Are Saying About the Founder

Before launching The Learning Lounge, families experienced firsthand the impact of Mrs. Wright's work supporting students academically, socially, and emotionally. Their feedback reflects a consistent commitment to individualized support, trust-building, and meaningful student growth.

Parent Testimonials

"You took the time to truly listen to my child, and then helped him understand better ways to handle situations. That made a lasting difference."

"You took the time to learn and understand my child—and that makes a huge difference. Your approach was never 'cookie cutter.' Everything was individualized, and it truly supported my child's progress. We thank you for that!"

"There are too many examples to narrow down. My child always shares how you take time to explore his interests—whether it's making videos, creating projects, or bringing learning to life in creative ways. We're always impressed with how you bring out the best in him. You're appreciated!"

"You earned my child's trust. He feels comfortable talking to you and knows you'll help him work through problems and find solutions."

"You have helped my son tremendously. I trust your intentions, and I fully support the work you're doing."

Expectations

These experiences and relationships are the foundation for what will become The Learning Lounge, a space designed to extend this same level of individualized, student-centered support to even more families in the community.
